FEC ID# C00000885

Dear Ms. Wilkens:

With regard to the enclosed copy of your 06/07/01 letter, please review the following response:

Please designate the contribution of \$2,500 to John Kelly as "Debt Retirement" instead of Primary or General, due to the fact that it was after the 10/06/00 election.

If there are any additional questions, please contact William Monroe at (202) 637-0791.

Sincerely,

James A. Williams

Reference: 30 Day Post-General Report (10/19/00-11/27/00)

Dear Mr. Williams:

On May 16, 2001 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your May 25, 2001 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Your amendment states that the contribution to John Kelly for Congress should have been designated as a Primary contribution instead of a General contribution; however, the funds were disbursed after the primary election date of June 6, 2000.

Please note that contributions may not be designated for an election which has already occurred unless the funds are to be used to reduce a candidate committee's debts incurred during that election campaign. Please provide clarification regarding any corrective action taken with regards to this contribution, and disclose any redesignations or refunds as necessary on the appropriate schedules.

-Please amend Schedule B supporting Line 23 by providing the office sought (House, Senate or President), state and congressional district, if applicable for each contribution made. 11 CFR §104.3(b)(3)(ii) and (v)

An adequate response must be received at the Commission by June 27, 2001. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions for time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

If you should have any questions related to this matter, please contact Andrea Wilkens on our toll-free number (800) 424-9530 (a the prompt press 1, then press 2 to reach the Reports Analysis Division) or our local number (202) 694-1130.
